

Dear friends and ministry partners,

Here we are at the end of January 2020 and I'm so excited to be able to share with you our progress in 2019! Your prayers and support have definitely been a true investment into the lives of all those impacted by the hearing of the gospel and equipping of the incarcerated Saints.

Here are some stats from 2019!

We traveled to **11** states - AND - to Albania!

We conducted training events in **62** prisons and **39** local churches!

We equipped and trained **330** prisoners and **165** volunteers in the local church!

We ministered/shared the gospel with more than **12,000** prisoners & **11,000** local church attendees!

While in Albania, I shared our PM vision, mission & goals with delegates from **86** nations at EE International's Congress of Nations and provided them all with a link to our Prison EE materials for implementation in their nation.

The delegate leaders in Romania and Kenya have invited me to their nation in October 2020 to help them convert our Fresh Start curriculum to their language!

In 2019, we added two full-time staff and one part-time staff to begin aggressive projects to manage ministry effort in Florida prisons, work with local US churches actively engaged in prison ministry and update databases and statistics.

One of the goals was to update our ministry's recidivism statistics and here is what we found. . . **DRUMROLL PLEASE** ☺.....

While the national recidivism rate remains at 85% return within three years of release. To my amazement, the new EE recidivism statistic is now **0.5%** return; over a 20-year period out of 10,478 men and women trained and 9,654 released - **only 53 reoffended!** I am so excited for the proof of what God is doing through this ministry!

PRAISE GOD - TO HIM BE THE GLORY AND HONOR!!

John 10:37-38 AMP - If I do not do the works of My Father [that is, the miracles that only God could perform], then do not believe Me. But if I am doing them, even if you do not believe Me or have faith in Me, [at least] believe the works [that I do, admit that they are works of God]. . .

Our new staff has made great strides in all the projects and we now have established a foundation for moving forward in each item.

We are now ministering in **41** states and **22** nations! In 2020 we only need nine more states to be on target for our 20-year goal of 50 states. Consequently, in 2020 we will need to implement Prison EE in the following states to provide ministry in **every state in the U.S.!**

Hawaii, Iowa, Minnesota, Montana, Nevada, North Dakota, Rhode Island, South Dakota & Wyoming

We also hope to implement EEPM in Puerto Rico in 2020 as well as follow up with other states that are restarting or just starting their Ministry and assist in Romania & Kenya -This is a GOD-sized vision!

To accomplish this schedule, we will need one thing:

- Answered Prayer – which covers
 - Good Health, funding, travel mercy and everything else!

Those of you who attended or viewed our annual fundraiser concert on January 10th know that we have begun an aggressive fundraising strategy that provides an opportunity for everyone to pledge \$100 or more towards the travel expenses for travel to 15 states in 2020.

Will you please help us by making a pledge or donating \$100 or more today? We have provided links on our website (www.prisonee.org) to assist you or you can mail your pledge/gift to EEPM, PO Box 668, Sarasota, FL 34230.

We are praying that we receive 300 pledge commitments by our March 29th Banquet and/or 300 pledge fulfillments by June 1, 2020. So, if you are not able to give today but want to in the future, please make your pledge today and this will be a huge help in our plans for moving forward. All heaven and all of us here at EEPM are counting on you and keeping it all in prayer!

Thank you, blessings and prayers,

Art
