

Looking back to thank Him - Looking forward to trust Him!

First Qtr 2021

Dear Friends and ministry partners,

For many of us, the beginning of a new year brings with it the excitement of starting fresh - whether it's getting organized, getting healthy, or just getting over 2020! 😊

While packing up some files in the office for storage, Gina came across a folder with copies of our prison ministry prayer letters dating back to 1998. It was very inspiring to look through and remember the wonderful people we've been connected with and the places the Lord has taken us over the years - the fruit of His ministry remains thriving and steadfast! 1Chronicles 16:12 says *"remember the wonders He has done, His miracles, and the judgments He pronounced."* We also saw many times of struggle and pleas for prayer when we walked through some pretty dark valleys. Looking back we can see God's Hand in those times as well and we praise Him for ALL of it!! He truly has been faithful and done so many miracles over the last 20 plus years!

Prayer Letter / December '98

Dear Friends and Ministry Partners,

May the Lord continue to minister His peace and love to you and your families this holiday season. As we walk in faith through the close of 1998, let us

Ministry Trip to Lowell Women's Unit

On May 17th I visited the Lowell Institution with other Hallett Ministries volunteers. After the invitation, 22 people came to the Lord that evening with many more recommending their lives! As I was packing up our equipment, Debbie called me over to pray with her, Lisa and a girl who had just found out that day that she was HIV positive. As we held hands to pray, the tears were falling from her face onto the floor. As I prayed and reflected on the way home that night, I realized what God did and how important it was to be there for someone who we didn't even know so they could come to know the Lord and their need for Him more than ever before. Art, thank you to you and Hallett Ministries and Praise God for keeping us focused on what is important. I will never forget that evening, the lesson I learned of that young woman whom God took under His wing that night.

Me Thi "Me Me" Nguyen into our home. Me Me is a ministry EE materials to Vietnamese. Tom Stebbins (Executive Director) visited her in Ft. Lauderdale in July. She shared with us her visit to a prison in California. It really was a learning experience for us as over 10% are incarcerated.

We look back with praise and thanksgiving not wishing for what was, which can lead to disappointment and regret - making us miss what God has in store for us now (Genesis 19:17, Luke 9:62), but instead we move with great anticipation, inspired to accomplish great works which He has prepared for us to do!

In 2020 we had planned to implement our ministry in all 50 states. Yet, by the end of the year we were in all but 6 states. Although our volunteers could not visit the prisons, we continued to provide vision, assistance and guidance to chaplains around the world using a media platform; our prison ministry DVD based discipleship curriculum was mailed to all 50 states in support of the Chaplain's on-going ministry to the incarcerated church. We counseled with Chaplains by phone and letter.

We are so tremendously grateful to everyone who participated, helped and attended the January Concert at Sarasota Banquet! We are also thankful for those who joined us online through the live stream! The Lord was praised and we had an awesome time of worship in His Presence!

You can go to our website www.prisoner.org to view video clips of the concert and give towards hygiene gift bags for the women inmates or make a donation towards general operating expenses. We appreciate you so much and couldn't minister without your help!

God is putting together a team and it's gonna be EPIC! In 2020, our staff was increased by 4 for a total of 7! *In 2021 we have a vision to recruit staff representatives in every state.* These EE prison ministry representatives will report to me and be responsible for managing the prison ministry effort throughout their state. Please, add this vision to your prayers and join us in seeking the Lord for guidance and favor as we travel to as many states as possible in 2021 and pursue the fulfillment of the vision over the next four years.

On Sat, Feb 6 we will attend a Florida DOC Volunteer Training at Desoto CI in Arcadia. This is a good sign that prisons may be opening up to volunteers in the near future! Praise God!

You can partner with us by praying, volunteering, giving and spreading the word about EEPM.

Thank you and God bless!
