

We cannot thank you all enough for the gifts and prayers given during our online fundraising celebration!

Through God's grace and your generosity, we were able to raise the funds needed to meet our matching gift challenge with over \$50,000 in donations and pledges provided towards our platinum vision goal of ministering in every US state in 2020!

Since the May 31st event, 3 of the 9 remaining states have begun implementing our ministry and are equipping their incarcerated men and women with the tools and confidence to share their faith and bring the light of the gospel into some very dark places.

For those of you who couldn't attend the online event, you can view it at our website www.prisonnee.org and you can also give securely on our website to be a part of the fruition of the vision!

We appreciate your support and praise the Lord for all He has done and continues to do through your partnership with us!

Our correspondence Bible studies are available in English and Spanish and contain four different levels for continued discipleship and spiritual growth.

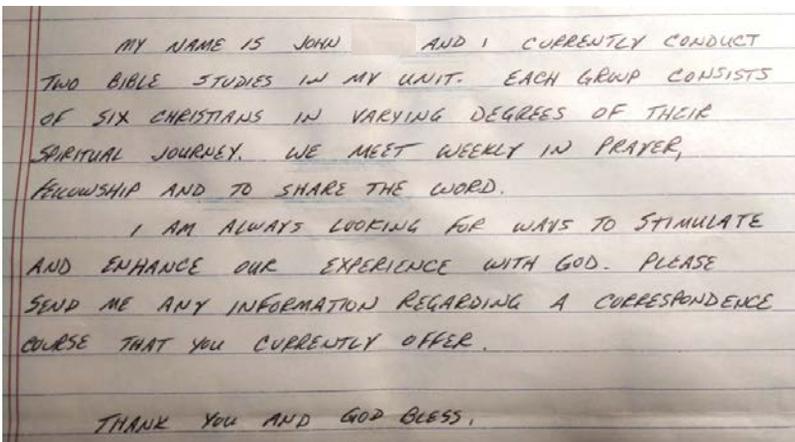

We have 700 inmate participants in 28 states who receive postage-paid lessons and the opportunity to be gifted a personalized study Bible upon completion!

We receive numerous comments and questions on the returned studies. We, along with our volunteers, reply to biblical questions, prayer requests, etc. It is an honor to assist these men and women who desire a new, growing life in Christ!

Here is a note we recently received:

"My name is John and I currently conduct two Bible studies in my unit. Each group consists of six Christians in varying degrees of their spiritual journey. We meet weekly in prayer, fellowship and to share the Word. I am always looking for ways to stimulate and enhance our experience with God. Please send me any information regarding a correspondence course that you currently offer. - Thank you and God bless."

We have responded to John and sent our correspondence discipleship studies for John to share with his group and also provided his Chaplain info on our Fresh Start curriculum.

Pray with us that God opens the door for us to begin Prison EE at John's facility.

Everyone has been effected by Covid-19. We have had to adapt to many changes as well; onsite prison ministry has been discontinued and volunteers are prohibited from entering the facility, consequently, we are contacting chaplains around the world and providing counsel, instruction and support to the ongoing ministry of our correspondence Bible studies and Fresh Start training curriculum which can be facilitated by the Chaplains or their inmate trustees.

We are so grateful for your prayers and financial gifts that are helping us to continue our ministry to God's incarcerated church, and, we invite you, your friends and family to join us in prayer as we remain faithful to the equipping of the Saints for the work of His ministry.

Please pray:

- 1) For continued favor with Chaplains as they seek to utilize our dvd-based curriculum and correspondence Bible studies to help the incarcerated during lockdown and no visitation due to COVID-19 restrictions.
- 2) Creative ways for us to assist those in other countries who want to implement Prison EE in spite of current travel limitations.
- 3) For wisdom in keeping local churches connected with prisons and jails in their area - to "not forget those in prison" and for wisdom as things open up that we make our plans and let the Lord direct our steps.
- 4) For protection, provision and peace for our supporters and their families. Jehovah Jireh is always the supplier of our needs! Thank you for your prayers! 😊
